Attn: Mr. Ferenc Kovács

**Subject: Letter of recommendation regarding translation projects from the English language**

Dear Mr. Kovács,

Information Balance Europe hereby testifies that that you have taken part in our translation projects from the English language, and that your work has been to our greatest satisfaction.

So far you have translated over 40,000 words of English text, all of which required expertise at specific industries (legal and regulations text).

Mr. Kovács translations have always met our expectations, have been completed by the specified due date, and have been perfect as regards both accuracy and style.

As a participant of our projects, you have used computer aided translation (CAT) technology, and have performed valuable work in updating our industry-specific terminology databases.

Best regards,

  
Diana Juhasz  
office manager
